You were unenrolled from Automatic Payments effective 04/09/2016 because we could not process your most recent automated payment from the account ending in 4215. Your current payment plan requires enrollment in Automatic Payments, so you must re-enroll as soon as possible to maintain your current plan and avoid an increased payment at renewal.

If you've already made a replacement payment, you can re-enroll in Automatic Payments immediately. To re-enroll, simply log in

As long as you re-enroll before your policy renews, your payment plan will remain the same.* If you do not re-enroll, your payment plan and payment amounts will be adjusted at your next renewal.

If you have not yet made a replacement payment, you can make a payment when you log in online or call us at the number above.

Thank you for your assistance in this matter.

Sincerely,

Your GEICO Service Team

*Even though your current payment plan will remain the same, payment amounts and due dates may be adjusted.
