Simon I have just =onfirmed the restaurant. With regards to the transport, I can arrange =wo vans from the Marina at 7.30 pm. The vehicles can drop them off 300 =trs away from the castle. The guests have to walk for about 10 minutes. =nce at the castle they have to go to the ticket office and let them =now that they have a dinner reservation (reservation made under the =ame of TE MANU) at IL CONVENTO. There is a lift that goes at the top of =he castle and some steps before reaching the restaurant.
