Ok. but until we handle the situation with TMobile which phone would you like her to use?

The LSJ phone that Cashkim uses to take photos?

Or the extra STC phone in the office?

Please advise,
Ann R.

Jermaine and Anna,
LSJ can take over Myla Tmobile phone number and send a sim card for her TMobile device, but she has to call Tmobile to find out if unlocked or request to unlock and tell them that LSJ will take over her number. If she doesn't care and is ready to get a new phone number just call Tmobile and unlock device

Thank you
Bella
