I know you think this has no effect on my friends or my life but below is =rom a friend – or I guess and ex friend and someone I was actually wo=king with..

Hi R=1; in ny again so not around.

Have to also be honest with you and say that i feel v uncomfortable with al= of the stories in the press – even knowing that much of the stuff wi=l be exaggeration, fictious reporting. I feel shitty abou= saying it as you’ve never behaved with me as anything other than a p=l. But i’m sure that you are not in a position to tell me what =s and what isn’t true and while thats the case i would find it hard g=ing out for an evening and having this uncertainty hovering around undiscus=ed.
