Subject: Fwd: Generous husband

A wife arriving home from a shopping trip was horrified to find her husband in bed with a lovely young woman. She screamed at him: "You're a pig! A pig with no honor! How dare you do this to me! I'm your faithful wife!"

She was about to storm off when her husband stopped her with these words: "Wait a minute, let me at least explain what happened!"

"Fine!" sobbed the angry wife, "but they will be our LAST words to me!"

"Well, while I was driving along the highway, I saw this young girl here, looking tired and haggard. I felt sorry for her, so I brought her home.

She was hungry, so I made her a meal from the roast beef you thought was too fattening.

Her sandals were torn so I gave her a pair of good shoes you had discarded because they had gone out of style.

She was cold, so I gave her the sweater I got you for your birthday that you don't wear because the colors don't suit you.

Her =lacks were worn out, so I gave her a pair of yours that you liked =efore your sister bought the same pair.

Then, as she was about to leave the house, she =urned to me and said pleadingly, "Please, please, is there anything =LSE your wife doesn't use anymore?"
