Hi Dave,

Not sure what further =orrespondence you need.

Ref the Game7 =nbsp;salvage, Mark Ranson , the auditor read the Incident reports and e =ails and presumed that we were part of the salvage. As I was not =ware of the incident until the following day, I cant log it as an =mergency Response on our side. I didn't bother pointing this out to =ark. We will do an exercise with Quantum Blue in Norway next =eek.

Kind regards
