Hi Babe - am in Sydney airport waiting for the flight to K..L.

Spent the day walking around in Sydney. It was hot, around 32degrees C. = was worn out by 3pm, sure wish I had my shorts (they were in the bag I le=t at the airport). Apparently it has been cooler and is supposed to cool d=wn again tomorrow. I have about 7 hours in K.L. airport before flying to Manila.

Love,

Phil
