sneaky my phone is broken=again! i think I still receive messages and calls but can't pick them =p as my screen is just turned dark and not reacting on any bottom and i ca='t turn it off or on I went to apple store now at night but there=is 3 hrs long wait list so I booked an appt for 7:30 am but not sure if I =an wak dup without alarm... would you be able to try to call me a few time=? I don't know other anyone else who wakes up at 6 am))) I think i sh=uld be able to hear a call as my sound turned on,... Thank you
