I am also working on your schedule which should be completed shortly. I've separated the trip into four parts. The basic outline is to start in Barcelona and then head to the Balearic islands returning to mainland Spain around Valencia then back to Barcelona ending the first part. We then transit to the south of France and Monaco which ends the second part. Part three is the islands of Corsica and Sardinia. We will finally end with the fourth part on the Italian mainland in either Pisa or Rome for departing flights.

&nbsp;

1= = S=ain and the Balearics 11 days – Start on the 13th =eptember

2= = S=uth of France 11 days – Monaco around the 3rd or =th of October

3= = I=lands of Corsica and Sardinia 12 days

4= = M=inland Italy. 7 days

&nbsp;

I=#8217;ll be able to send you a better breakdown with Itinerary, =estaurants historic places to see etc. in the next few =ays.

&nbsp;

P=ease let me know if there is anywhere in particular you really would =ike to go. I have so far - Barcelona, Balearics, St. Tropez, Cannes, =onaco, drop offs in Nice on the 2nd or 3rd, =orsica and Portofino. Departure around the third week of =ctober.

&nbsp;

R=spectfully yours,

&nbsp;
