Kathy,

Thank you for your reply. For the new estimate only include the items listed in the email; disregard the first list we gave you. We understand moving forward you will not be able to provision Chestnut Hill Polo's or Cutter and Buck Lilac polos for men. We think we have just enough to get through the caribbean season, and then we will have to revisit with you prior to the Med season an alternative color for the mens to replace the Lilac.

Thank you,  
Melissa

Do you want me to change what I sent already to this or add this to what you have?

Also, The men's Chestnut hill is discontinued for a few years... do you want a white performance polo?/u>

Also the color Lilac will have to exit your program it is no longer add for men. Do you want to add an additional color?

Can you get back to me and I will re-send this estimate. I will also order the samples for you today and let you know when they are here.

Call if you want.
