Hi Phil

The 5=day HELM course is required for USCG License holders so you may not be requ=red to complete the same course upgrades as me

Best check with Blue Water in Antibes before you travel to NZ =div>

Some of the U.S. student on the HELM course have travele= from Saudi Arabia to be on the course

Hi Phil

The gap to complete the addi=ional STCW courses for US Licenses is 1 Jan & classes in Florida are fi=ling fast so best check into courses before leaving Europe

<=pan>Hi Phil,

I hope all's well & the r=cent charter has been successful

I have s=gned onto the 5 day STCW - HELM course in Ft. Lauderdale and may try to com=lete the ECDIS course during September

I o=ly have a few minutes to email between classes

=span>Write & update when you have time

What are your future plans
