Mike

Please inform Mike Stock that we will be proceeding and have him begin to inquire on installation..  
Daphne and I will now take care of deposits required..  
Thank you

Correct, installation is not included. He has said he can and will be making calls to install crews he knows, some local here in the VI, about quoting us. He also has the other bldg. to add to it.

Both steel bldg. suppliers exclude installation but can help provide bids from installers they know and have worked with.

mike,

It appears bid is just for materials..

Who will be doing installation? Do we have any bid or idea of cost?

Please advise

Thank you

Mike,

Please confirm you have reviewed and approved moving forward with attached bids (2) in addition to extra cost of \$2,878 for 6 vents in tunnel. Once we receive your approval we will order.

Thank you

Mike Stock.

These are the bids for the tunnel resigning and the old engineering building from Allied,

There is an adder for roof vents to the tunnel bid that I will forward separately.

Hi Mike,

Attached are the proposals for the LSJ buildings.

Please review and contact me with any questions.

All the best,

Good day Mike.

Attached please find a sketch of the tunnel building we walked the roof of.

We wish to get a quote on the re-skinning of this building.

Please let me know what other information you will need in addition to this sketch and the photos you took.

Thank you.
