Hi Myla

Sunami receive the following email from Phil earlier today

Phil did not forward details of his flight itinerary or say if he needs a pick up from the airport

Lets hope the boxes are packed with gold bars & jewels but knowing PB it will be more rocks, shell, broken bottles & rusty pieces of metal "One Man's Junk is another Man's Treasure" ;)

Good to know he is safe

Dave

Hi Sunami,

My time in the BVI is over, I will be returning to Florida tomorrow.

Just want to let you know I have sent 3 boxes to your house via Fedex addressed to Dave. I used your email and phone number on the paperwork as recipient (hope you don't mind) so it is possible they may contact you about delivery. I used my email and phone as sender. I should arrive well before the boxes.

Hope everything is ok. I have had a few mails from Myla and Dave, sounds like they have settled into a routine. The internet in BVI was a bit weak and often my mails wouldn't send. How are Reef and Ryan?

Phil
