Correct, installation is not included. He has said he can and will be making calls to install crews he knows, some local here in the area, about quoting us. He also has the other bldg. to add to it.
Both steel bldg. suppliers exclude installation but can help provide bids from installers they know and have worked with.

mike,

It appears bid is just for materials..
Who will be doing installation? Do we have any bid or idea of cost?
Please advise

Mike,

Please confirm you have reviewed and approved moving forward with attached bids (2) in addition to extra cost of \$2,878 for 6 vents on tunnel. Once we receive your approval we will order.

Thank you

Good day Mike.

Attached please find a sketch of the tunnel building we walked the roof of.

We wish to get a quote on the re-skinning of this building.

Please let me know what other information you will need in addition to this sketch and the photos you took.

Thank you.
