I was able to assign seats for all but the outbound flight--that is at check in only, either online at [www.delta.com](http://www.delta.com) <<http://www.delta.com>> within 24 hours of travel or at the airport. I tried for window for the others but some of the configurations are hard to decipher so I'm not sure exactly what they are. Feel free to change them if you want! I hope everything goes well for your mother and I know having her daughter there will help immensely. Have a safe trip. Hope to see you when you get back.
