Hi David,

B

Hope all is well. B I sent you emails but did not hear back. B As there might be something with my (or your email) I am also cc Marry/Laura.

B

I am writing you this to ask you whether you are in DC on 9/29 and 9/30?

B

I will be with Bill in NYC next week Wed-Friday noon when we go to DC for some meeting re national security. BB We should be done around 6-7pm on 9/28th.

It would be great if you are around and can join us for a dinner! B Most likely it would be only three of us.

B

If this does not work for you, perhaps you are around next day (Saturday Alternatively next day 9/28 th) for a breakfast or lunch.

my friend that I mentioned you Jeffrey Epstein will be around.

B

So whatever works for you b either of those or both ;) B If none, I hope some other time soon will work.

B

Looking forward to seeing you soon!
