<jeevacation@gmail.com> introduction - David - Jeffrey

David meet Jeffrey, Jeffrey meet David!

B

David I mentioned you last time that it would be great if you and Jeffrey Epstein meet.

Jeffrey is one of my dearest friends.B

Also he is a closest friend with Eva Dubin.

B

Jeffrey just told me that he will be in DC tomorrow.

I know that you are traveling most of the time and that this is very short notice, but still worth trying.

B

Hopefully next time we will meet all together!

B

I am just boarding flight for Europe so I will not be reachable for some time.

B

If meeting can work out, it is the best if you work it out directly!

B

I think you will both like meeting each other.

B

All the best

B

Boris
