Dear Terje,

Ronchi dei
Legionari,

25 January 2011

Castello di Duino

B

I have finally been able to speak to the owner himself
on the phone, now that he is returned from a vacation on a far away island.

B

He and I could meet the day after tomorrow,
Thursday, 27 th January, in Belgium , where I would fly to for
this purpose.

B

It is just possible, that he might be prepared to
give up his opposition to selling the private house he still keeps as his and
his families other private residence in Duino. I want to discuss this with him
along with other issues.

B

Please let me know whether that is still of prime
importance, in which case I would really push for that.

B

Obviously it would also be very useful to know,
whether this whole affair is still of interest to your client. Could you be so

kind as to let me know?

B

In any case the price I have referred to and the conditions are not negotiable. The owner has been very clear about that from the beginning and still is b and he can afford to wait until the right client comes, who will not argue this.

B

Obviously should he be prepared to also sell the other private house in Duino which also has direct access to the park and view of the sea, he will do so only for an additional price. I would try and find out more and would let you know.

B

I would appreciate feed-back from you.

B

Best regards

B
