I appreciate your desire to begin. If I were you.. I would spend time doing squats , lunges, running to build and firm your butt. get a haircut, (I will pay). hopefully you will work with photographers that teach you . ask them for their best advice. you should love the learning process. you are too pretty to try so hard to look sexy or modely.. it takes away from the photo.. you have a great smile-use it. .. the photo from paul focuses the attention on your belly button instead of your face. the photos in the leaves. show more of the nature than of you.. however- good first try. you are smart. now use it
