I m glad to be of help. Your poet. also doesn't " WANT". certain things. This is true of every person . wanting , not wanting is easy .. Actually doing nice things , taking actions , prevents disaster. Not wanting it to rain, does little. having an umbrella is what counts in the end. You ask to learn from me, ask for help, ask for money, not once have you brought a girl , faciialist , baked a cookie, bought me a teeshirt. found a new tea, and made it. I have been very fortunate to have you in my life. I hhave tried to include you in my projects fun, and offered you experiences few get to have. you still focus on getting more , instead of giving. Im thinking of coming to paris on thursday.. not once " can I bring or do anything , just , if i can't stay there ,i will find somewhere else.
