any news.. ? , I am disappointed in what has happened. It would have been nice for you to offer help , kindness assistance to me. instead, im afraid it is only one way. -from me to you . I have been there for you for over two years. You have followed you own path , in contrast to my strong suggestions. Like our night at the palace, it was easy , you were perfect and no one cared about your clothes. I will help you AFTER and only AFTER you start helping yourself
