what are your thoughts on this? ( if Gary hasn't already asked you.) I asked Ion to make up more paint samples for the living room ceiling, some with a very soft turquoise ground, thought it might nicely pick up on the color in the tapestries and carpet.. be reflective and - more interesting than cream not as dull as blue...

Master Bedroom: We need to ask Mr. Epstein if he wants to have the possibility to store all AV equipment in the small closet across from the Powder Room and have it wired as such as well. Therefore, if we were to have a valuable credenza (below the TV) that cannot be converted into AV storage, we could place all AV equipment in that closet. This is very important since HDTV cable cannot be spliced. Or at least that's what I've been told.....
