Enjoy the attached.

Last week I saw a movie at the San Francisco International Film Festival that I am confident you will enjoy when it comes to more general release: "Garbo the Movie." True-life story of a fascinating WW2 double agent known as Garbo. See www.garbothemovie.com for trailer and some idea of the film's peculiar humor, use of film clips and solid base in interviews with historian Nigel West and MI5-specialist Mark Seaman.

Cheers,
David
