feeling more at home... as airports are a second home.. NY was too exhausting and tense.. have a day to strengthen up before heading out on Tues into the lions den.. I do, btw, have a 'compensation' idea I keep being too timid to bring up with you.. I wanted to let you know that Jade contacted me again.. she seems a relaxed and happy person.. she is going to spend much of the week watching basketball finals it seems..

Also, I will send you email of lady in UK after I get her permission.. I do have rigorous rules about forwarding people's emails on.. and moreover, I think any connection from you would seem to be less intrusive if it is expected...
