JE,

Had dinner with Jacqui last night, whose is in town scrambling because his loan at one of the big banks is not getting renewed. Something for you??

He took us out to celebrate Max's 30th birthday (today!!).

Saw Ronna Tanenbaum in SF last week. (Remember her?) She's going to put together a team to re-engineer the EDGE website and create a new Internet platform. Need backing. Jacqui is in for \$25K. Interested?

Interesting week in Silicon Valley. Larry Page had a dinner for me w Evan Williams (Twitter) and Tony Fadell , father of the iPod, and formerly VP iPhone iPod Division, Apple. Seven vegetarians/vegans at a Palo Alto restaurant, and me!
