Jeffrey,

I spoke to Jeanne at Sikorsky, she said the main demo flight is scheduled for May 14th Friday, and cannot be changed, if we do not use 750 they would bring an AAG S76 down,, she still is waiting for her legal dept to put together the demo contract for Darren I to review.

IF this trip is a go, she would like to leave Tuesday for Charlotte, and finish Friday with the main demo.

I know we are schedule to fly Thursday and Friday, I can locate another ;pilot to fly with Dave, I have several options for copilots to use, Darren is un able due to a G4 flight, if that is ok with you?

thank you, hope your feeling better soon!
