hello Jeffry,

hope your trip was nice. Thank you for ginger tea :) and fixing my spine.
I don't know what so bad you did in your life that now you are so good for people by makeing their dreams become true :) I dont want to know

anyway, keep your dark side where it belongs :)
I am grateful for meeting such an intelligent person as you. Big thanks for
[REDACTED] and [REDACTED] and thank you for your time.

I really appreciate what you offered me yesterday, but I still do not know
if I can accept it from you. it was one of my biggest purposes. to come to
NYC work and get oriental medicine education. you are like time machine
for me right now, because I expected to make it to university in one or
two years.

I still do not understand why you do this to me if you know that I am not
going to get intimate with you in any way and I don't have what to offer
except friendship.
I am not rich with money right now, but I am rich in my heart. When I will
be financially rich I would love to give you back everything that you will do
for me.

take care,
