i would ask again that you be more careful with what you write, the level of your selfishness , self centered, focus is reaching critical mass. You feel it ok to lie to me regarding the real reason you wont drive a jaguar, you attemp meager justifications of childish behavior. you at the same time ask me to defend you, ask me not to speak about you, ask me to ignore what others say, ask me to agree a deal then change it, have each and every person that comes in contact with you, ask me why is she upset now, ? did she have to work? did she have to help? did she have to acknowledge that other people have feelings. ,? was something she wanted to buy not available, , did someone hug you in front of her. Jarecki has been down , and refused to come again, as he said he was the cause of friction. watching you jump up and pout. (he s a shrink), joe, JEan luc, ..
