I have been preparing your house for days, making sure its pleasant for you and thinking about how much fun it will be. Tonight, I was organizing fun for us. I have also been dreading you backing out on the deal at the last minute as it seems you are doing. I thought no tricks meant no tricks.

I don't want to argue and have these discussions anymore. I too am tired of the drama..this is so petty. Yes I recall the email about [REDACTED]. It was after we spoke on the phone about the age being 35 instead of 30. I thought it meant yes, you didn't think about her because she works for the decorator - as in you forgot to include her and now you remembered. I can see it can also be interpreted another way and that's fine if that's your version of it. But otherwise the deal was pretty clear and included [REDACTED] etc. Either version.
