that was a BIG mistake, Do not do it again. This is business, if you don't go to dinners and parties, you will not be rehired.

the friend that was supposed to join me stood me up... And I didn't feel like going all alone since he was the only person I knew there, and he was hosting the party so I'm pretty sure he would have been busy to mind me... And this week I went to sleep very very early, like a baby, since I wasn't used waking up that early :)
