I am no longer in florida, and we should decide on a hibernation strategy

Jeffrey,
I've tried calling your home, but there's been no answer. I figure you're taking an around the world trip right now. Congratulations!

On a more mundane matter, I would like you to sign the proposal that went out last week. It calls for a third day per week of a man at your house, instead of twice a week. You'll recall that when we started, I agreed to two days depending on how much can get done. You really do need a third day to maintain the property in the manner it should be maintained. It comes to less than \$150 per week, so I urge you to do it. You can also accept the proposal just by emailing me back your approval.

Thanks, Jeffrey. And I am really happy that you have closed another door. I can't wait to see what door you open!

Don
