On way to doctor- have a bee sting from Saturday that is red and swollen...with Jean...nothing serious.
Will call in a bit.

Are you packed...
xoxo p

Jaqui Safra, Jean Doumanian and I left Portofino this morning- drove to Genoa and flew into Farnborough....now driving to London.

Jean's play "The Mountain Top" is opening tonight and we are all going. It's about Martin Luther King and his last night alive in that Memphis Motel. Two character play- only 90 minutes...that's the good news.

Arriving Berkely now. Will call when get to room.
ONE more day!!!
xoxo Peg

We had a ball in Portofino
