Are you running around your house jumping on all the couches and beds?
Can you leave the house anytime? Leave the town? Leave the state? Leave the country?

I am sitting on the top deck in the hot sun on the stern
sun mattress of Denise's boat as we motor to St. Tropez and am working away....dressed totally in stripes. Stripe
dress, hat and bag in celebration of your release.

This boat is a freak show with sun block.

was your first freedom shower? What did you have for breakfast? Caviar, smoked salmon, eggs benedict....do not let

office later...xoxo Peg
