Hello Jeffrey

It's been a while! I'm in the US at the moment and you've been on my mind quite a bit so fortunately I remembered your number which was actually a stroke of genius because I lost my address book in a highjacking about 2 years ago.

I hope you are well and that the problems you were having when I last saw you in Boson are a thing of the past.

I am in Wrightsville beach, North Carolina for the weekend but will be in Boston as of Monday afternoon, I am also planning to go to New York next Thursday and Friday, I have a dinner with a friend from South Africa on Thursday evening in NY. I was hoping to see you if you were around and was able on Friday.

I can't believe how excited I am to have reached you, please be in touch.

Warm regards,

Francis Jardine-Deuss
