Jeffrey,
How are you? I hear from [REDACTED] that your incarceration period is now about over. What a great relief for you. I know you have to remain in Fla for a while, but at least you can get about and sleep in your own bed.

[REDACTED] are in Interlocken right now for a two day look-see. [REDACTED] has become, at age 12, an amazingly accomplished flutist---she has a self-driven passion for it. I hear you were very involved there. [REDACTED] is not yet sure she wants to spend a summer rehearsing 8 hrs/day, but at least she has seen it and we'll see 6 months from now what she wants.

They love Travers City. One of my best friends (college roommate) spent every summer in Petoskey and was always singing its praises.

[REDACTED] will sorely miss [REDACTED] being at Spence next year, but they will be life-long friends I am sure. And logistically easier for the Dubins to have them all in one school.

That's it for now.

Congrats for having (mostly by now) come through such an awful ordeal with your head (and spirits) up.

Best,
Woody
