great,, food for thought. , if you are to do osteop,, we shoud finalize. , if you want to do the center, you should find a place to RENT, and that only after agreeing in detail to sublease portions of it. to others. so that they can help reduce your out of pocket. . I don't believe that any more than that will work in this enviornment SIMPLE , healing nurturing, place for you to do your work, no employees, , , we can't make it into a real estate transcation. ,
