Jeffrey,
I'm due to complete a 6 month lube/float inspection on the Bell 407, I would like to fly Heli to Edwards in Fort Lauderdale this week weather permitting to comply with this? It only takes 6 hours to complete, I also help their mechanics during this process.

During this visit I will get pictures and progress report of the Midnight express, its right across the street from Edward at Fort Lauderdale executive airport.

is this approved,
thank you,
Larry
