Jeffrey,
Howard German from Sikorsky, is going to fly down to West Palm Beach and give Darren Rothell and myself a tour of the S76D helicopter and test facility in North Palm Beach county. Would you be interested in going also?

Howard is trying to get security clearance so we could fly the Bell 407 to the Pratt and Whitney / Sikorsky plant since they have a private runway there, it is still located in Palm Beach county, location is 18 miles NE of West Palm Beach airport. Otherwise we could drive.

I will update you more on Monday.

thanks,

Larry
