please send stopek an email that says,, mr . Epstein was surprised to find the bouganvilea cut back into old lady balls. , after he spent lots of time describing that form as the last thing he wanted.. they were to grow into a hedge like much wilder look.. How is it possible that itends up exactly where we started 6 weeks ago.. Please stay on top of this,, he is very dissatisfied that you obvioulsly didn't supervise the work adequately, and now has a result that is exactly what he along with you decided was spcedfically not what he wanted.
