Dear Jeffrey,

Barbro's 9th Female Economist Gala was, as always, a stunning performance. In light of the Stockholm School of Economic 's 100 year celebration, it was with great joy we learned that Barbro had received a special medal of honor from the school's principal. For her extraordinary efforts to promote female leadership.

I send this brief note to thank you, on behalf of the FEOYs, for your continuous support in our cause. We all know that without you this had not been possible.

Hope to see you again at some point. Meanwhile - enjoy your vacation!

all the best from FEOY #1
