what is it that you have been doing that you feel has not been recognized by me.. For two weeks i have been going to the office to get away from the negativitiy in the house.. now its [REDACTED], , tell me what she has done, that you find distresssing. the night before you told me that i had been sleeping with [REDACTED], she said no she rubbed my forehead for an hour or more while i was sleeping. you decided to sleep on the landing , was that the reason.. [REDACTED] saw i needed help and did what she could , you take that as an offense. from last weks email -----you mean the people that spend most of their time asking me , what they can do for me, can i get you , can i give you. would you like , . who in the large part simply do as i ask, , who get little. are those the people to which you are referring, your response ---I don't know where those people are but I'd love to meet them. does [REDACTED] qualify. ? does she do it with bad intention ... do you find it difficult to watch me being treated well.. ?? I don't get it..
