she said jeffrey you can't go out like that , let me fix it. ( you said nothing) she spent an hour and a half rubbing my head while i slept. , you spent fifteen minutes in the cabana, nanny rubed ny feet for two and a half hours,, jenn did my nails twice, [REDACTED] did mu callouses,, yes all of these things are little and i greatly appreciate them,, my wild guess is knowing that I have kept my promise and will shortly see the outcome, every one of the girls would gladly trade plaaces with you in a heartbeat.. and in fact if everyone can see how badly you are treated , i'm sure no one would want to put themselves in such a distressing circumstance.

You are not reading my email correctly. She does very little in my view and I am happy she does it. What is disturbing is the vast difference in how thoughtful, appreciative and affectionate you are towards her and how cold and critical you are towards me in response to the same task (shaving, tea, rubbing feet..)

what is it that you have been doing that you feel has not been recognized by me.. For two weeks i have been going to the office to get away from the negatvitiy in the house.. now its [REDACTED], , tell me what she has done, that you find distresssing. the night before you told me that i had been sleeping with [REDACTED], she said no she rubbed my forehead for an hour or more while i was sleeping. you decided to sleep on the landing , was that the reason.. [REDACTED] saw i needed help and did what she could , you take that as an offense. from last weks email -----you mean the people that spend most of their time asking me , what they can do for me, can i get you , can i give you. would you like , . who in the large part simply do as i ask , , who get little. are those the people to which you are referring, your response ---I don't know where those people are but I'd love to meet them. does [REDACTED] qualify. ? does she do it with bad intention ... do you find it difficult to watch me being treated well.. ?? I don't get it..
