is it embarassing to review your emails and see what i asked you , and you agreed to do/ but did not.. once again, you think it only requires me to comply . What possible reason could you have for me not having [REDACTED] here. you are not my jailer.

[REDACTED] doesn't think she can make it today. She is available tomorrow morning. Our deal was she comes when I get back and 'girls' like [REDACTED] were Not coming to visit while I am gone. It is embarrassing for me to remind you that you have again slowly worked your way to get exactly what you want despite what we agreed on. I give up. You win.

Do you want [REDACTED] to come to the house at 11 tomorrow?
