Hey,
How's it going?

I am happy you liked the fabric... Did [REDACTED] tell you I can get 40% off.... I would just need to make it look like I am buying it for myself.... [REDACTED] and I can work it out!

So [REDACTED] doesn't want me... He has concluded that he can do without me. The pressure of a title freaks him out and he is just not ready to commit. In other words, I am just not good enough... So, for now, we are just fuck buddies... Oh joy! At least I can get some ass!

Are we definitely sure the whole massage therapy idea isn't good? The only reason there is some pressure on this idea is because registration is now for January starting time....

And Jeffrey, I need your help on making a plan to get out of debt... I know there is a way!!... and now that you had me bring it to light, I am freaking out, because my student loan goes off deferment in December... Ahhh! Help! Please!

Sorry to bombard you, but you know you're the best! What would I do without you?

Thank you always,

:-)

Miss you guys already, hehe.
