This is what I listen to on a daily basis..... The reason the dog shit on the floor was because YOU took her out -the reason dinner was awful was because YOU said you wanted pasta,- The reason the house doesn't work is because YOU gave responsibility to [REDACTED], The reason I did nothing to help with [REDACTED] was because YOU said you weren't sure if you wanted The reason I didn't exercise is because it didn't make a difference to YOU.. The reason outdoor pillows are not made is because YOU, didn't choose the fabric. The reason we don't get along is because YOU are so negative. The reason things didn't get done because I had no time as I was catering to YOUR every wish. The reason the steak was inedible was because YOU said dinner was at 5. The reason that there are no plant pots, You- Jeffrey, The reason Igor is not here to work out is YOU told me that they could decide their own schedule. . The reason there is no lunch at all on Sunday, is YOU said nothing when I asked this morning if you wanted anything. This is what I hear every day. every day. not Thank you for letting me fly the heli. , not thank you for encouraging me to learn, NOTHING. I paid close attention, NOT ONE ... your friend bursts into tears saying why is her life so SHIT and yours so good. she doesn't say thank you for one day and she is told to leave.
