Hey! I just arrived to Milan this morning. doing looks for dolce gabbana again...so I'm very happy about that..
With bday it was ok..it wasn't perfect cuz that night at his club he had lots of troubles..so he was super stressed...but it was nice, he was happy..
That was sunday night and since then I didn't see him for like 4 days..I just didn't feel like...cuz we do always the same things..so I'm starting to get bored with him. And I know he was super busy last 2 weeks but I would expect more interest from him..maybe I'm asking too much...but he is coming to milan and paris to do some events so we will be together, so that will be smth new and different...

How r u doing?
