there are many people smarter than me that have their own views of those things, I think the focus has to be on you and you alone, Be "fair" to yourself. - thinking Revenge, allows the other side to eat at you, and only with your consent. seems silly. However I am not a girl, as you already know.. sometimes an emotional eruption needs release. my suggestion is paxil, zoloft, or lexipro, after two months ask me the question again.
