I made the nipple analogy yesterday,, I find it impossible to communicate with you..You ask me and i tell you the brutal truth about girls, you think im lying,, i tell you the brutal truth about your dinner,you want me to lie, I told you it was your responsibility to train the dog.. There is shit all over my cabana again this morning,, I spend time giving you consturctive suggestions , you do as you please and ignore my requests. (the pots that I thought were ugly are still the very same pots. its been a month . I told you i would talk to your shrink, if you thought that would help. You feel picked on, lied to, you believe others are treated better, WHAT role do you believe you play in this,, you measure my reactions without the slightest concern for you part in that reaction. I asked you to learn basic cooking, serving presentation. you said I DID . I have kept my part of the bargain, regarding ovulation. , you then say that wasn't the deal, i don't have to excercise, and jeffrey you are changing the deal.
