im sorry for losing my temper,, i have said the same things over and over again,, you ignore , or choose to forget.. last sunday I told you that my excercise comes first. that my schedule comes first. there is no change, I told you , you were responsible to follow up with the landscape. i went around and pulled out garbage from all around the property,, idid this with brice,, I said nothing, the ugly pots were an issue a month ago,, nothing changed, you think by merely organizing [REDACTED] ticket , that there is where it ends.. i love our movie night, it only requires you to lay there, so i feel confident that this will happen , most other things, less so.. the dog shit all over,, i have not said boo.. not a peep because i don't want to start an argument over the same thing over and over, you have done nothing about it, nothing,,
