Hi, how r u? So I was just stressing so much about [REDACTED] bday present that I was going crazy..cuz his 2 good friends weren't helpfull at all...they said the boat idea might not be so good..

So I just decided that I'm gonna book the room at The Standard hotel....its just few blocks away from his club and this hotel is known for ppl having sex in the windows..cuz all the rooms have huge windows from floor to ceiling.I bought a nice sexy lingerie at kiki de montparnasse..booked the best room...and after party tonight I'm just gonna leave earlier and will give him the key from the room...won't say anything else...so when he will come later it will be a suprise...and after amazing sex I'm gonna give him a massage so he can relax a lil bit and have a different kind of experience.....

What do u think? Would u like that?
